

AIRLINE HIGH SCHOOL  
2801 AIRLINE DRIVE  
BOSSIER CITY, LA. 71111

Dear Parents:

Your son/daughter \_\_\_\_\_ (please print name), has indicated that he/she would like to participate in athletics or other extracurricular activities at Airline High School. While we encourage our students to participate in athletic/extracurricular activities, we must make the parents aware of the possibility of your child being injured in practice or a game. Student accident insurance is provided for your child while participating in athletic/extracurricular practices or games. This policy, like most policies in effect today, has a limited benefits schedule and will not pay one hundred percent of the charges incurred. The balance due is the obligation of the parents, not Airline High School or the Bossier Parish School Board. The insurance is secondary to any health insurance already in force on your child. Before your child will be allowed to participate in athletic/extracurricular activities at Airline High School, this letter, along with the following documents, must be signed, dated and returned to the school. An extra copy of this letter along with an outline of the coverage of this policy is attached for you to keep for your files.

Please contact me at 318-549-5080 if you have any questions or need additional information.

Sincerely,

Jason Rowland  
Principal

Ronnie Coker  
Athletic Director

---

I will allow my son/daughter to participate in athletic/extracurricular activities at Airline High School. In case of any injury, I understand that I will be responsible for the unpaid balance of any medical charges resulting from the injury.
